Summary:

Highly motivated individual with a strong interest in cybersecurity and a desire to pursue a career in this field. Recently completed a Bachelor's Degree in Cybersecurity and equipped with foundational knowledge in information security. Seeking an entry-level position in cybersecurity to apply and further develop skills, contribute to data protection, and safeguard information systems.

Skills:

- Familiarity with fundamental principles and concepts of cybersecurity.
- Knowledge of common threats and vulnerabilities in information systems.
- Understanding of authentication and authorization procedures and methods.
- Basic proficiency in cybersecurity tools and technologies.
- Strong problem-solving and analytical skills.
- Proficiency in Python, Node.js, JavaScript, HTML, CSS.
- Familiarity with Vue.js, React.js, MongoDB, and SQL.

Certifications:

- CompTIA A+
- CompTIA Network+
- CompTIA Security+

Projects:

- Developed a secure web application using a combination of Vue.js, Node.js, and MongoDB.
- Implemented basic cybersecurity measures for personal projects, including encryption and access control.

Languages:

- Russian (native)
- English (intermediate level)

Additional Information:

- Actively participate in cybersecurity-related conferences and workshops.
- Stay updated with the latest industry trends and emerging technologies.
- Strong willingness to learn, grow, and adapt to new challenges in the field of cybersecurity.

I am enthusiastic about beginning a career in cybersecurity and I am confident that my educational background, certifications, and dedication to learning will enable me to excel in this field. I am open to opportunities for internships or entry-level positions that provide valuable experience and allow me to contribute to the protection of sensitive information.

Please feel free to contact me for any further information or to discuss potential opportunities.

Sincerely,
Shamil Ramazanov
